Dear Dr. Lederberg:

I am at present in this country on a sabbatic leave from Sweden. On my way to the Montreal Congress I would like to take an opportunity to visit your laboratory. Please let me know whether the date August 11 and 12 would be agreeable to you.

With my best regards,

Sincerely yours,

A. Lima-de-Faria

Associate Professor in Genetics
at the University of Lund.

I regret I will be out of
the country from July 25 to Sept 10.

(In fact, largely at Stockholm!)

Sorry our paths must diverge.

Best
Hortely John Lederberg
& best regards to Prof. Rhodes
